

Product Pickup Times and Locations

We are unable to ship products at this time, so we have set up a series of dates, times, and locations for product pickup, at four different OSU Extension offices. Appropriate COVID-19 protocols will be observed and enforced. All items must be prepaid, we cannot take orders in person. Following is the list of options, with links to a signup sheet for each time slot.

| Date | Time | County Ext. Office | Address | Link to Signup |
|-----------|---------------|--------------------|---|-------------------------|
